

# Hamburg Sightseeing

---

**25. - 27. SEPTEMBER 2019 / Hamburg**

If you bring enough spare time to have a look at the beautiful city of Hamburg along with your attendance at the RDKit UGM, the following places are worth visiting.

## Alster

The river Alster forms two lakes in the city center where you can relax, have a nice walk or go running as many of Hamburg's inhabitants do.

## Townhall

Imposing building from 1897 and seat of the local government.

## Church St. Nikolai (Ruins)

Church from 1874 which was destroyed in world war II except for the tower. Nowadays a memorial.

## Speicherstadt

Unesco world heritage next to the Elbe river. Consists of listed historic warehouses made of bricks. Important for the city's trade history.

## Elbphilharmonie

Concert hall finished in 2016 with an impressive modern architecture. The view terrace can be visited for free.

## Michel (Church St. Michaelis)

One of Hamburg's 5 main churches and symbol of the city. Considered one of the most beautiful baroque churches in northern Germany.

## **Planten un Blumen**

Parc in the city center with a japanese garden. Check out the water shows with music during the day and the water light shows in the evening from May to September.

## **Karlinenviertel**

Trendy neighborhood in central Hamburg with many nice Cafés, Shops and Bars.

## **Schanzenviertel**

Alternative quarter in central Hamburg with many bars and the famous "Rote Flora" which is a former theatre occupied by left-wing activists.

## **St. Pauli**

Quarter with many bars and nightclubs. Famous for its vibrant nightlife, especially on the Reeperbahn.

## **Kunsthalle**

Large collection of historic and contemporary art. You can easily spend a whole day hier.

## **Bucerius Kunst Forum**

Art museum with changing exhibitions next to the town hall.

## **Miniaturwunderland**

Largest model railway in the world and one of Hamburg's most visited museums. You can explore an impressively detailed miniature world divided into the sections Austria, Hamburg, America, Scandinavia, Switzerland, Germany and Italy. Also has a miniature airport.

## **Internationales Maritimes Museum Hamburg**

Private museum exhibiting for example model ships, construction plans, uniforms and maritime art. Also has exhibitions on marine research and explains different aspects of seafaring for example navigation.

## **Deichtorhallen**

Art museum with varying exhibitions specialized on photography.
